Details of the pre-application advice received

Correspondence with Lauren Rowlinson of Wrexham County Borough Council regarding the outstanding planning conditions under P/2006/0527 and P/2006/0528.

On 7 October 2026, the officer provided copies of the previously approved visibility-splay drawings, CL(70)01 and B.6044/11, and recommended preparing a site plan setting out the proposed hedgerow management arrangements for formal consideration by the Highway Authority.

Regarding Condition 6, the officer confirmed that no evidence of formal discharge had been located in the Council's records and recommended submitting a supporting statement addressing the existing Main Access Drive and its maintenance arrangements.

Following submission of the proposed supporting documents for preliminary review on 16 October 2026, the officer advised that the matters should proceed through the formal discharge of conditions process, allowing Highways to be consulted and any additional information requirements to be identified.

This application seeks approval of the submitted details for Conditions 6 and 8 of P/2006/0527 in accordance with that guidance.
